

Do you have a background in STEM (Science, Technology, Engineering or Maths)?

Would you like to help inspire the next generation in STEM subjects?

STEM Ambassadors are everyday people from real working backgrounds who volunteer their time for free to act as inspiring role models to young people.

Become a STEM Ambassador!

For further information about the Devon and Cornwall region contact Julia Newill Tel: 01392 215501 E-mail: julia.newill@devonebp.org.uk

Or to register as a STEM Ambassador straight away, please go to www.stemnet.org.uk click the Ambassadors link then choose "Join Online"
